REMARKS/ARGUMENTS

In the Office Action mailed January 23, 2007, all of the pending claims—1-20—have been allowed and the Applicant thanks the Examiner for the indication of allowable subject matter. In addition, prosecution on the merits has been closed in accordance with the practice under *Ex parte Quayle*, and only the following formal matters need to be addressed as suggested by the Examiner: sections headings should be placed in the specification, and the label of Fig. 1 should be removed due to it being a sole figure.

By this Reply, the Applicant has amended the specification to include section headings and Fig. 1 has been amended to remove its label in accordance with the Examiner's suggestions. As such, the Applicant respectfully submits that this application is in condition for allowance.
